FLOW

- Liquid, Gas & Steam Applications
- Corrosive & Abrasive Media
- Sanitary / Hygienic Processes
- Hydraulic & Lubrication Systems
- Energy & Utility Monitoring
- Low-Flow & High-Viscosity Applications
- High Pressure & High Temperature
- Custody Transfer / Fiscal Metering
- Batch Control & Dosing
- OEM & Skid Integration

VALVES

- Ball, Butterfly, Gate & Globe
- Control Valves & Automated Valves
- Pneumatic & Electric Actuation
- Severe Service Applications
- High-Pressure / High-Temp
- Corrosive & Chemical Service
- Sanitary & Food-Grade
- Isolation & Emergency Shutoff
- Valve Automation Packages
- Retrofit & Replacement Support

GAS DETECTION

- Fixed & Portable Gas Detection
- Combustible (LEL), Toxic & Oxygen Monitoring
- Flame Detection Cameras
- Wireless Detection Networks
- Calibration Gas & Accessories
- Controller & Alarm Integration
- Hazardous Area Rated Equipment

ANALYZERS

- pH / ORP / Conductivity
- Dissolved Oxygen
- Chlorine & Chemical Monitoring
- Moisture & Dew Point
- Combustion & Emissions Monitoring
- Process & Water Quality Analysis
- Inline & Laboratory Solutions
- Sample Conditioning Systems
- Calibration & Verification Services

PRESSURE & TEMPERATURE

- Pressure Gauges & Transmitters
- Pressure Switches
- Differential Pressure
- RTDs & Thermocouples
- Temperature Transmitters
- High Accuracy & Critical Applications
- Hazardous Area Rated Devices
- Sanitary / Hygienic Options
- Custom Assemblies & Instrument Packages

LEVEL

- Radar (Guided Wave & Non-Contact)
- Ultrasonic
- Capacitance & RF Admittance
- Float & Displacer
- Hydrostatic / Submersible
- Point Level Switches
- Bulk Solids & Powder Measurement
- Corrosive & High-Temp Service
- Tank Inventory Monitoring

PRESSURE MANAGEMENT

- Regulators
- Relief & Safety Valves
- Rupture Discs
- Gas & Liquid Pressure Control
- Steam Pressure Management
- Overpressure Protection
- Fuel Gas Conditioning
- Filtration & Coalescing

SAFETY EQUIPMENT & PPE

- Gas Detection Accessories
- Fall Protection Equipment
- Flame-Resistant Clothing
- Confined Space Equipment
- Eye Wash & Emergency Showers
- Lockout / Tagout
- Portable Monitoring
- Respiratory Protection
- Hazardous Area Lighting
- Safety Compliance Support

FIELD SERVICES

- Startup & Commissioning
- Calibration & Verification
- Troubleshooting & Diagnostics
- Loop Checks
- Preventative Maintenance
- On-Site Training
- System Upgrades
- Instrument Replacement
- Emergency Support
- Turnkey Installation Support

SERVICES

- Application Engineering
- Equipment Specification & Sizing
- Technology Selection Consulting
- System Design Support
- OEM Support & Integration
- Project Management
- Inventory & Asset Review
- Compliance & Safety Consultation
- Custom Panels & Assemblies
- Long-Term Support Agreements

FILTRATION

- Liquid Filtration
- Gas Filtration
- Coalescing Filters
- Bag & Cartridge Systems
- Strainers
- Hydraulic Filtration
- Fuel Gas Conditioning
- High Purity Applications
- Sanitary Filtration
- Custom Filtration Skids

HOSES & FITTINGS

- Hydraulic Hoses
- Chemical-Resistant Hoses
- Sanitary Hoses
- High-Pressure Assemblies
- Stainless Steel & Alloy Fittings
- Quick Connects
- Instrumentation Tubing
- Custom Hose Assemblies
- On-Site Measurement & Fabrication
- Replacement & Retrofit Support
